Dear Shareholder

2017 ANNUAL GENERAL MEETING

This year's Annual General Meeting (“AGM”) of the Company is to be held at 11.00am on 7 December 2017 at 93 George Street, Edinburgh EH2 3ES. The notice of the AGM is contained on pages 4 to 6 of this document and sets out the business to be considered at the AGM. The purpose of this letter is to explain that business to you.

Resolution 1: Receipt of Reports and Financial Statements (Ordinary Resolution)

This resolution relates to the receipt by the AGM of the Directors' and auditor's reports and the financial statements of the Group for the year ended 30 June 2017, which are enclosed with this letter and which are also available to download at the Company's website at www.frontierip.co.uk.

Resolution 2 & 3: Re-appointment of Directors retiring by rotation (Ordinary Resolutions)

The Company's Articles of Association require that one-third of the Directors retire by rotation at the AGM and that any Director who thus retires may offer himself for re-election. Resolution 2 proposes the re-appointment of Jacqueline A McKay, and resolution 3 proposes the re-appointment of David J Cairns, both of whom are retiring by rotation.

Resolution 4: Remuneration Report (Ordinary Resolution)

The Company is required to put its report on Directors' remuneration to an advisory shareholder vote. As the vote is advisory it does not affect the actual remuneration paid to any individual Director. The report on Directors' remuneration is set out with the Directors' and auditors reports and financial statements referred to in Resolution 1 above.

Resolution 5: Re-appointment of the auditor (Ordinary Resolution)

It is proposed to re-appoint Moore Stephens LLP as auditor of the Company.

Resolution 6: Remuneration of the auditor (Ordinary Resolution)

It is proposed to authorise the Directors to fix the remuneration of the auditor, Moore Stephens LLP.

Resolution 7: General authority to allot securities (Ordinary Resolution)

Resolution 7 seeks to give the Directors authority to allot a maximum of £676,363.00 by nominal value of ordinary shares (which equates to 6,763,630 new ordinary shares of 10 pence each). This maximum nominal amount represents: (i) the ordinary shares that are currently reserved to satisfy the exercise of share options which have not yet been granted but which the Board is authorised to grant pursuant to the Amended Scheme, which include authority to grant options over up to 15 per cent. of the issued share capital of the Company from time to time; plus (ii) approximately 10 per cent. of the issued ordinary share capital of the Company, in accordance with institutional guidelines.

The authority conferred by this resolution will expire on the date falling 15 months after the passing of the resolution or, if earlier, at the conclusion of the annual general meeting of the Company to be held in 2018.

Resolution 8: General disapplication of pre-emption rights (Special Resolution)

Conditional on Resolution 7 above being passed, Resolution 8 seeks to give the Directors power to allot a maximum of £676,363.00 by nominal value of ordinary shares (which equates to 6,763,630 new ordinary shares of 10 pence each, assuming Resolution 7 above is passed) for cash without first being required to offer such shares to existing shareholders but this authority is limited to: (i) the allotment of shares that are currently reserved to satisfy the exercise of share options which have not yet been granted; (ii) the allotment of up to £382,785.20 by nominal value of ordinary shares for cash, representing 10% of the issued ordinary share capital of the Company at the date of this letter; and (iii) the allotment of shares should there be an offer to allot shares or other securities to shareholders *pro rata* in the future (subject to certain exclusions or arrangements as the Directors may deem necessary).

The power conferred by this resolution will expire upon the expiry of the authority conferred by Resolution 7 above.

SPECIAL BUSINESS

Resolution 9: Amendments to the Company's Employee Share Option Scheme 2011 (the "Original Scheme") (Ordinary Resolution)

Resolution 9 is to approve the Company's Employee Share Option Scheme 2011, as amended (the "**Amended Scheme**"). Shareholder approval is sought for the amendments to the Original Scheme at the AGM to ensure that the Company has the appropriate share incentives and that they provide enough flexibility to be able to retain and incentivise employees of the Company over the coming years. Future options will be granted under the Amended Scheme provided that shareholder approval is obtained for the Amended Scheme. The principal terms of the Amended Scheme are set out below.

There are no material differences between the Original Scheme and the Amended Scheme save for the following:

- (i) the limit on the number of shares that may be subject to options in any ten year period is increased to a maximum of 15% of the ordinary share capital;
- (ii) options granted pursuant to the Amended Scheme may be granted at nominal cost;
- (iii) new malus provisions are included to prevent vested options from being exercised in circumstances where the Company has suffered reputational damage or financial loss as a result of the option holder's actions; and
- (iv) general updates to the rules of the Amended Scheme to reflect the new market abuse regulations, new data protection regulations and other minor amendments.

Limit on grant options

The Original Scheme provides that options are limited so that they may only be granted in any ten year period over such number of shares as does not exceed 10 per cent of the Company's ordinary share capital. Options are currently outstanding over 7 per cent of the Company's ordinary share capital.

It is proposed, under the Amended Scheme, to increase the limit on the number of shares that may be subject to options to 15% of the ordinary share capital of the Company in ten years which will allow the Board to sufficiently incentivise senior management and key employees for the foreseeable future.

Nominal cost options

The Original Scheme currently provides that awards of options must be made at market value. It is therefore proposed that the Amended Scheme will allow for options to be granted at nominal cost.

Malus provisions

It is proposed that new malus provisions are included in the Amended Scheme. Such provisions will allow the Remuneration Committee to stop options being exercised, even when they have vested, in appropriate circumstances, such as where:

- (i) an option holder has deliberately misled the management of the Company and/or the market and/or the Company's shareholders regarding the financial performance of the Company; or
- (ii) the Company suffers reputational damage as a result of the option holder's actions; or
- (iii) an option holder's actions amount to serious misconduct which causes significant financial loss for the Company and/or the option holder's business unit.

Shareholder consultation

The Remuneration Committee consulted with its largest shareholders prior to finalising the proposed amendments to the Original Scheme. The Remuneration Committee is grateful for the significant degree of engagement with the Company shown by those shareholders consulted throughout the consultation process, and for their comments and feedback. At the end of this process the Remuneration Committee is pleased that the majority of shareholders consulted have indicated they are supportive of the Amended Scheme.

The rules of the Amended Scheme will be available for inspection during normal business hours on Monday to Friday (excluding bank holidays) at the Company's registered office from the date of this document until the close of the AGM and at the place of the AGM for at least 15 minutes before the AGM and during the AGM.

Action to be taken

A form of proxy for use by shareholders in connection with the AGM is enclosed with this letter. You are asked to complete and return it to the Company Secretary at 93 George Street, Edinburgh EH2 3ES as soon as possible and in any event so as to be received not later than 11.00am on 5 December 2017. Further information regarding the appointment of proxies and voting can be found on pages 5 and 6 of this document. Completion or return of a form of proxy will not prevent you from attending the AGM and voting in person should you wish to do so.

Recommendation

Your Board believes that the adoption of all the proposed resolutions will promote the success of the Company and is in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the proposed Resolutions, as they intend to do in respect of their own beneficial shareholdings amounting to 5,057,499 ordinary shares of 10 pence each representing 13 per cent. of the issued share capital of the Company as at the date of this letter.

Yours sincerely

K A Richmond
Non-executive Chairman

Notes:

The following notes explain your general rights as a shareholder and your rights to attend and vote at the Annual General Meeting ("AGM") or to appoint someone else to vote on your behalf.

1. Only those shareholders registered in the Register of Members of the Company as at 11.00am on 5 December 2017 (the "Specified Time") shall be entitled to attend, speak and vote at the AGM in respect of shares registered in their name at that time. Changes to entries on the Register of Members after the Specified Time shall be disregarded in determining the rights of any person to attend or vote at the AGM, notwithstanding any provisions in any enactment, the articles of association of the Company or other instrument to the contrary. Should the AGM be adjourned to a time not more than 48 hours after the Specified Time, that time will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned AGM. Should the AGM be adjourned for a longer period, to be so entitled, members must have been entered on the Register by 11.00am two days prior to the adjourned AGM or, if the Company gives notice of the adjourned AGM, at the time specified in such notice. In the case of joint holders, the vote of the senior holder who tenders a vote shall be accepted to the exclusion of the votes of the other joint holder(s). Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
2. A person entitled to receive notice of, and attend and vote at, the AGM may appoint a proxy or proxies to attend and exercise all or any of his rights to attend, speak and vote at that meeting in his stead. A proxy need not be a member of the Company but must attend the AGM to represent you. A member may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. Appointment of a proxy will not preclude a member from attending and/or voting in person at the AGM. A form of proxy for use at the AGM is enclosed and, if used, should be lodged, together with any power of attorney or other authority (if any) under which it is signed, in accordance with the terms detailed on the form of proxy. To be valid the form of proxy must be received by the Company Secretary at 93 George Street, Edinburgh EH2 3ES not less than 48 hours before the time of the AGM or any adjournment thereof. Any power of attorney or other authority under which the form of proxy is signed (or a certified copy of such authority) must be included with the form of proxy.
3. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
4. In order to facilitate voting by corporate representatives at the meeting, arrangements will be put in place at the meeting so that (i) if a corporate shareholder has appointed the chairman of the meeting as its corporate representative to vote on a poll in accordance with the directions of all of the other corporate representatives for that shareholder at the meeting, then on a poll those corporate representatives will give voting directions to the chairman and the chairman will vote (or withhold a vote) as corporate representative in accordance with those directions; and (ii) if more than one corporate representative for the same corporate shareholder attends the meeting but the corporate shareholder has not appointed the chairman of the meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative. Corporate shareholders are

referred to the guidance issued by the Institute of Chartered Secretaries and Administrators on proxies and corporate representatives (www.icsa.org.uk) for further details of this procedure. The guidance includes a sample form of appointment letter if the chairman is being appointed as described in (i) above.

5. Members satisfying the thresholds in Section 527 of the Act can require the Company to publish a statement on its website setting out any matter relating to (a) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the AGM; or (b) any circumstances connected with an Auditor of the Company ceasing to hold office since the last AGM, which the members propose to raise at the meeting. The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's Auditors no later than the time it makes its statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required to publish on its website pursuant to this right.
6. Pursuant to Section 319A of the Act, the Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered or if to do so would involve the disclosure of confidential information.
7. In accordance with Section 311A of the Act, the contents of this notice of meeting and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website at www.frontierip.co.uk.
8. As at 7 November 2017 (being the latest practicable date prior to the publication of this notice), the Company's issued share capital consists of 38,278,520 ordinary shares, carrying one vote each. Therefore, the total number of voting rights of the Company as at 7 November 2017 is 38,278,520.

Communication

9. Except as provided above, members who have general queries about the AGM should contact the Company Secretary.
10. Shareholders may not use any electronic address provided either in this notice of AGM or any related documents (including the proxy form) to communicate with the Company for any purpose other than those expressly stated.
