Dear Shareholder,

Notice of Annual General Meeting

Introduction

The 2023 Annual General Meeting of Frontier IP Group plc will be held at 93 George Street, Edinburgh, EH2 3SE at 11:00 am on Friday 15 December 2023. The notice convening the Annual General Meeting of the Company is set out below and contains details of the business to be considered at the AGM. The purpose of this letter is to explain that business to you and to provide you with further information regarding the arrangements for the AGM.

AGM

The Board is delighted to be able to invite shareholders to attend the AGM in person again this year.

However, as the AGM will be held at the offices of the Company, attendance in person at the AGM will be limited. We would request that any shareholder wishing to attend in person should register in advance by e-mailing frontier@frontierip.co.uk no later than 11:00 am on 13 December 2023. The priority of the Board continues to be the health, safety and wellbeing of all Shareholders, employees and Directors and the wider community.

Although there are no longer any restrictions on gatherings following the lifting of restrictions which applied during the COVID-19 pandemic, Shareholders should be aware that the Company may be required to limit or restrict the number of people attending in person or cancel attendance in person at short notice, if circumstances change or maximum capacity is reached. The Company may also put in place other safety and security measures as a condition of admission to the AGM to align with UK government guidelines or as a safety measure at the time of the meeting, where appropriate. We therefore ask shareholders to monitor the Company's website and regulatory news for any further updates in relation to the AGM.

We strongly encourage all shareholders to vote by proxy on all of the resolutions contained in the AGM notice. The business at the AGM will be restricted to the formal business only, with no wider presentations on business performance or Q and A.

We again want to ensure that we engage with and support our shareholders, whether they are in attendance in person or not. Therefore, should you have a question in relation to any of the resolutions to be proposed at the AGM, the Annual Financial Statements or the business of the Company, please, once again, e-mail your question to frontier@frontierip.co.uk by 11:00 am on 13 December 2023 (Please include 'AGM 2023' in the subject heading). Questions will be grouped into themes and addressed on our website as soon as practicable following the AGM.

Resolutions

The Notice, and in particular, the explanatory notes appended to the Notice, contain a detailed explanation of each of the resolutions proposed at the AGM. Resolutions 1 to 13 (inclusive) shall be proposed as ordinary resolutions and Resolutions 14, 15 and 16 shall be proposed as special resolutions.

Broadly, the usual AGM resolutions include resolutions to receive the annual financial statements of Frontier IP Group plc together with the directors and auditors reports for the year ended 30 June 2023, to receive the directors remuneration report, to re-appoint the Directors of the Company where they are eligible and willing to be re-appointed, to grant authority to the directors to allot shares in the Company, to disapply pre-emption rights in respect of certain allotments of shares for cash, subject to certain limits and restrictions, to authorise the Company to purchase its own shares on the market and to re-appoint BDO LLP as auditors to the Company and to authorise the directors to fix their remuneration.

Resolutions 3 to 10, relate to the retirement and reappointment of the Directors of the Company. As indicated in the letter to shareholders with the Notice of the 2022 AGM, all of the Directors propose to retire, and being eligible, propose to offer themselves for reappointment in line with the recommendations of the UK Corporate Governance Code.

I will be stepping down as a Director and Chair of the Company at this years' AGM and I am delighted that Dame Julia King, Baroness Brown of Cambridge has agreed to assume the role as Chair following the AGM and that our new Non-Executive Directors, David Holbrook and Nigel Grierson, are also seeking re-appointment at the AGM. It has been a privilege to be a director of the Company and serve as Chair over the last 12 years.

Action to be taken by Shareholders

Regardless of whether or not you propose to attend the AGM, please complete and return the enclosed Form of Proxy. A Form of Proxy for use by shareholders in connection with the AGM is enclosed with this letter. To be valid, Forms of Proxy must be completed, signed and returned to be received by our Registrar, Share Registrars Limited, at 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX by 11:00 am on 13 December 2023.

Alternatively, you can register your vote(s) for the Annual General Meeting by visiting www.shareregistrars.uk.com, clicking on the "Proxy Vote" button and then following the on-screen instructions (you can locate your log-in details on the top of the proxy form).

Instructions for voting by proxy through CREST are set out in paragraphs 9 to 12 of the notes to the Notice of Annual General Meeting.

In the case of non-registered Shareholders who receive these materials through their broker or other intermediary, the Shareholder should complete and send a letter of direction in accordance with the instructions provided by their broker or other intermediary.

The appointment of a proxy will not stop you from attending the AGM and voting in person should you prefer to do so.

Directors' Recommendation

The Board of Frontier IP considers that the passing of the Resolutions 1 to 16 outlined above and as set out in the Notice of AGM is in the best interests of the Company and for the benefit of its shareholders as a whole. Accordingly, the Directors unanimously recommend that shareholders vote in favour of such resolutions as they intend to do in respect of the 4,784,568 shares held by the Directors representing approximately 9 per cent. of the Company's Existing Ordinary Shares at the date of this letter.

Yours faithfully,

K. Andrew Richmond
Non-executive Chairman

Notes:

The following notes explain your general rights as a shareholder and your rights to attend and vote at the Annual General Meeting.

Entitlement to attend and vote

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, to be entitled to attend and vote at the meeting (and for the purpose of the determination by the Company of the votes they may cast) shareholders must be registered in the Company's register of members by 11:00 am on 13 December 2023 (**Specified Time**) (or if the AGM is adjourned to a time more than 48 hours after the Specified Time, taking no account of any part of a day that is not a working day, by 11:00 am on the day which is two working days prior to the time of the adjourned AGM). If the AGM is adjourned to a time not more than 48 hours after the Specified Time (taking no account of any part of a day that is not a working day) that time will also apply for the purposes of determining the entitlement of members to attend and vote (and for the purposes of determining the number of votes cast) at the adjourned AGM.

Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

As soon as practicable following the meeting the results of the voting will be announced via a regulatory information service and also placed on the Company's website.

Website giving information regarding the meeting

2. Information regarding the meeting, can be found at www.frontierip.co.uk

Appointment of proxies

3. If you are a shareholder entitled to attend and vote at the AGM, you are entitled to appoint one or more proxies to exercise all or any of your rights to attend, speak and vote at the AGM instead of you. You should have received a proxy form with this notice of meeting. A proxy does not need to be a member of the Company but must attend the meeting to represent you. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.
4. You may appoint more than one proxy provided each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. To appoint more than one proxy, please contact our registrar, Share Registrars Limited on 01252 821390 or Share Registrars Limited at 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX. You will need to state clearly on each proxy form the number of shares in relation to which the proxy is appointed. Failure to specify the number of shares to which each proxy appointment relates or specifying a number in excess of those held by the shareholder will result in the proxy appointment being invalid. If you wish your proxy to speak on your behalf at the meeting, you will need to appoint your own choice of proxy (not the chairman) and give your instructions directly to them.
5. Appointment of a proxy will not preclude a shareholder from attending and voting in person at the AGM.
6. Shareholders can:
 - Appoint a proxy or proxies and give proxy instructions by returning the enclosed proxy form by post (see note 8).
 - If a CREST member, register their proxy appointment by utilising the CREST electronic proxy appointment service (see notes 9 to 12).
 - Use the proxy voting portal to register their votes online via the Share Registrar website (www.shareregistrars.uk.com) (see note 13)
 - You may not use any electronic address provided either in this Notice of Meeting or in any related documents to communicate with the Company for any purpose other than as expressly stated.

In order for a proxy appointment to be valid the proxy must be received by Share Registrars Limited by 11:00 am on 13 December 2023.

7. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

Appointment of proxy by post

8. To be effective, the completed and signed proxy form, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such Power of Attorney) must be deposited at the office of the Company's Registrars, Share Registrars Limited at 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX not less than 48 hours (excluding weekends and bank holidays) before the time for holding the meeting (i.e. by 11:00 am on 13 December 2023) and if not so deposited shall be invalid.

Appointment of proxies through CREST

9. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of it by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. For a proxy appointment or instructions made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & International Limited's (Euroclear) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Share Registrars Limited (ID **7RA36**) no later than 11:00 am on 13 December 2023, or, in the event of an adjournment of the meeting, 48 hours (excluding weekends and bank holidays) before the adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

11. CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Voting via the Online Portal

13. You can register your vote(s) for by visiting www.shareregistrars.uk.com, clicking on the "Proxy Vote" button and then following the on-screen instructions. To ensure it is only the registered shareholder that can vote using the portal, proxy forms will need to be personalised and have two security numbers (a user name and an access code) which are used to log in to the portal. These security numbers are unique to each meeting and shareholder. Shareholders will get assurance that their vote has been received and recorded through the provision of a vote confirmation email.

Appointment of proxy by joint members

14. In the case of joint holders, where more than one of the joint holders completes a proxy appointment, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

15. Shareholders may change proxy instructions by submitting a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.
16. Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Share Registrars Limited on 01252 821390 or at 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX.
17. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointment

18. A shareholder may change a proxy instruction but to do so you will need to inform the Company in writing by sending a signed hard-copy notice clearly stating your intention to revoke your proxy appointment to Share Registrars Limited at 3 The Millennium Centre, Crosby Way, Farnham, Surrey GU9 7XX. In the case of a shareholder, which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.
19. The revocation notice must be received by Share Registrars Limited no later than 11:00 am on 13 December 2023.
20. If you attempt to revoke your proxy appointment but the revocation is received after the time specified, your original proxy appointment will remain valid unless you attend the meeting and vote in person.
21. Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.

Corporate representatives

22. A corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a shareholder provided that no more than one corporate representative exercises powers over the same share.
23. In order to facilitate voting by corporate representatives at the meeting, arrangements will be put in place at the meeting so that: (i) if a corporate shareholder has appointed the chairman of the meeting as its corporate representative to vote on a poll in accordance with the directions of all of the other corporate representatives for that shareholder at the meeting, then on a poll those corporate representatives will give voting directions to the chairman and the chairman will vote (or withhold a vote) as corporate representative in accordance with those directions; and (ii) if more than one corporate representative for the same corporate shareholder attends the meeting but the corporate shareholder has not appointed the chairman of the meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative. Corporate shareholders are referred to the guidance issued by the Institute of Chartered Secretaries and Administrators on proxies and corporate representatives (www.icsa.org.uk) for further details of this procedure. The guidance includes a sample form of appointment letter if the chairman is being appointed as described in (i) above.

24. As at 17 November 2023 (being the latest practicable date prior to publication of this Notice), the Company's issued share capital comprised 55,916,946 ordinary shares of 10 pence each. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the share capital of the Company as at 17 November 2023 is 55,916,946.

Resolutions 3 to 10 – Retirement and Re-appointment of Directors

In accordance with articles 101.1 and 102.1.2 of the Company's articles of association, one third of the directors who are subject to retirement by rotation (or if their number is not three or a multiple of three the number nearest to but not less than one-third) shall retire from office. The directors due to retire by rotation shall include, firstly, any director who wishes to retire and not offer himself for re-election and, secondly, those directors who have been longest in office since their last appointment or reappointment. In accordance with article 97.2, any director appointed since the last AGM shall also retire from office at the AGM.

Notwithstanding the provisions of the Articles of Association all of the Directors are retiring at this year's AGM in line with the recommendations of the UK Corporate Governance Code.

Andrew Richmond is retiring as a director and not seeking re-appointment as he has been a director of the Company for 12 years. In accordance with the provisions of Article 104 of the Articles of Association of the Company, it is resolved not to fill this vacancy at the AGM. The board will continue to review the composition of the board and to appoint additional directors or fill any vacancies as considered appropriate by the board. The Board was strengthened by the appointment of two new Non-Executive Directors, David Holbrook and Nigel Grierson, during the year and as part of the planning for Andrews retirement. David Holbrook and Nigel Grierson are therefore due to retire in accordance with Article 97.2 of the Articles of Association of the Company and in line with the recommendations of the UK Corporate Governance Code and are seeking reappointment at the AGM.

Brief details of the directors and why their contribution is, and continues to be, important to the Company's long-term sustainable success, can be found in the annual report in the "Our Governance" section "Board of Directors" and "Corporate Governance".

Resolution 11 – Re-appointment of Auditor

The Company is required at each general meeting at which financial statements are presented to shareholders to appoint auditors who will remain in office until the next such meeting. It is proposed to re-appoint BDO LLP as auditor of the Company. The Audit Committee keeps under review the independence and objectivity of the external auditors. After consideration of the relevant information, the Audit Committee recommended to the Board that BDO LLP be reappointed.

Resolution 12 – Remuneration of Auditor

The Shareholders are asked to authorise the Directors to fix the remuneration of the auditor, BDO LLP, for the audit work to be carried out by them in the next financial year. The amount of the remuneration paid to the auditors for the next financial year will be disclosed in the next audited accounts of the Company.

Resolution 13 – Authority to Allot Shares

Under section 551 of the Companies Act 2006, the directors of a Company may only allot shares or grant rights to subscribe for, or to convert any security, into shares in the Company if authorised to do so by the shareholders. Such a resolution was passed at the last annual general meeting and the purpose of this resolution is to renew the director's power and authority to allot shares or grant rights to subscribe for or convert any securities into shares in the Company.

The Investment Association (IA) regards as routine a request by a company seeking an annual authority to allot new shares in an amount of up to a third of the existing issued share capital. In addition, the IA will also regard as routine a request for authority to allot up to two thirds of the existing issued share capital provided that any amount in excess of one third is reserved for fully pre-emptive rights issues. Paragraph (i) of Resolution 13 will allow the directors to allot ordinary shares up to a maximum nominal amount of £1,863,898.20, representing approximately one-third of the Company's issued share capital and calculated as at 17 November 2023 (being the latest practicable date prior to publication of this document). Paragraph (ii) of Resolution 13 will allow the directors to allot, including the ordinary shares referred to in paragraph (i) of Resolution 13, further ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £3,727,796.40, representing approximately two-thirds of the Company's issued share capital calculated as at 17 November 2023 (being the latest practicable date prior to publication of this document). The directors have no present intention of exercising the authority conferred by paragraph (ii) of Resolution 13. However, if they do exercise the authority, the directors will have due regard to best practice as regards its use including the recommendations of the IA.

The authority will expire, unless earlier revoked or varied by the Company in a general meeting, on the earlier of the conclusion of the next annual general meeting of the Company and the date 15 months after the date of passing of this resolution.

As at 17 November 2023 no shares were held by the Company in treasury.

Resolution 14 – Authority to disapply pre-emption rights

If equity shares are to be allotted for cash, using the authority given by Resolution 13 above, section 561(1) of the Act requires that those securities are offered first to existing shareholders on a pre-emptive basis in proportion to the number of ordinary shares they each hold at that time. An offer of this type is called a "rights issue" and the entitlement to be offered a new share is known as a "pre-emption right".

There may be circumstances, however, where it is in the interests of the Company for the directors to be able to allot new equity securities other than to shareholders in proportion to their existing holding or otherwise and strictly in compliance with the requirements of the Companies Act 2006. This cannot be done under the Companies Act 2006 unless the shareholders first waive their pre-emption rights.

There are legal, regulatory and practical reasons why it may not always be possible to issue new shares under a rights issue to some shareholders, particularly those resident overseas. To cater for this, resolution 14, in authorising the directors to allot new shares by way of a rights issue, also permits the directors to make appropriate exclusions or arrangements to deal with such difficulties.

Resolution 14 asks shareholders to authorise the directors to allot equity securities in the capital of the Company pursuant to the authority conferred by Resolution 13 for cash, or sell treasury shares without complying with the pre-emptive rights in the act in certain circumstances.

Apart from offers or invitations in proportion to the respective number of shares held pursuant to Resolution 14(b) the authority will, pursuant to Resolution 14(c), be limited to the allotment of equity securities for cash up to a maximum aggregate nominal amount of £559,169.50 being approximately 10 per cent. of the Company's issued ordinary share capital at the date of the Notice of AGM. This is in accordance with the published amendments set out in the Statement of Principles on Disapplying Pre-Emption Rights by the Pre-Emption Group. The resolution seeks authority for a further 2 per cent. to be available for a follow on offer to retail investors and existing shareholders which is also in accordance with the recently published amendments set out in the Statement of Principles on Disapplying Pre-Emption Rights by the Pre-

Emption Group. This follows the trend for retail participation in non pre-emptive offers. The directors confirm that they will only allot shares pursuant to this authority where the allotment is in connection with an acquisition or specified capital investment (as defined in the Pre-Emption Group's Statement of Principles), where the Company has consulted with major shareholders in advance of any issue to the extent reasonably practicable and in compliance with law. In addition, Resolution 14(a) also asks shareholders to grant authority to the directors of the Company to allot some of the new shares other than by way of a pre-emptive offer or under the general 10 per cent. disapplication in relation to shares issued pursuant to the terms of any share option scheme or arrangement. Resolution 14(a) asks shareholders to do this, but only in relation to new shares equal to 3.56 per cent. of the Company's issued ordinary share capital at the date of the Notice of AGM.

The directors will be able to use this power without obtaining further authority from shareholders before they allot new shares pursuant to the terms of any employee share option scheme or arrangement covered by it. This will include under the LTIP approved at the 2022 AGM. However, by setting the limit of 3.56 per cent, shareholders' proportionate interests in the Company cannot, without their agreement, be reduced by more than 3.56 per cent. by the issue of new shares pursuant to the terms of any share option scheme or arrangement. This together with the shares currently under options granted by the Company and exercised in respect of employee share option schemes and arrangements, aggregate 15 per cent. of the issued share capital of the Company.

The Company is seeking authority to allot securities in connection with a pre-emptive rights issue up to a maximum amount of the authority in Resolution 13, which represents approximately one third of the Company's issued ordinary share capital as at 17 November 2023, being the latest practicable date prior to publication of this Notice. The benefit to the Company of obtaining such authority on an annual basis is that it would allow the Company to implement a rights issue of an amount equal to a maximum of approximately one third of the issued ordinary share capital without the need to call an additional general meeting. This would shorten the implementation timetable of such a rights issue.

The power given by Resolution 14 will, unless earlier revoked or varied by the Company in a general meeting, expire on the earlier of the conclusion of the next annual general meeting of the Company and the date 15 months after the date of passing of this resolution.

Resolution 15 – Authority to disapply pre-emption rights

The authority sought by Resolution 15 would, if granted, give the directors of the Company authority to issue ordinary shares, or sell treasury shares, for cash in connection with an acquisition or capital investment of a kind contemplated by the Pre-Emption Group's Statement of Principles up to an additional aggregate nominal amount of £559,169.50 (representing 5,591,695 ordinary shares). This aggregate nominal amount represents approximately 10 per cent. of the issued ordinary share capital of the Company (including treasury shares) as at the latest practicable date before publication of this Notice of the AGM together with a further 2 per cent. available for a follow on offer to retail investors and existing shareholders. This follows the trend for retail participation in non pre-emptive offers. The directors confirm that they will only allot shares pursuant to this authority where the allotment is in connection with an acquisition or specified capital investment (as defined in the Pre-Emption Group's Statement of Principles), where the Company has consulted with major shareholders in advance of any issue to the extent reasonably practicable and in compliance with law.

The authority given under Resolution 15 will expire on the earlier of the conclusion of the next annual general meeting of the Company and the date 15 months after the date of passing of this resolution.

Resolution 16 – Authority to purchase own shares on market

The Board of directors of the Company is committed to managing the Company's capital effectively and the directors believe that it is in the interests of the Company and its members to have the flexibility to purchase its own shares. This resolution seeks authority from members to do so. The directors only intend to exercise this authority when, after considering market conditions prevailing at the time, they believe that the effect of such exercise would be to increase the earnings per share and be in the best interests of shareholders generally.

The effect of such purchases would either be to cancel the number of shares in issue or the directors may elect to hold them in treasury pursuant to Chapter 6 of Part 18 of the Companies Act 2006.

Certain listed companies may hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by a company in accordance with the Companies Act 2006. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under a company's employee share scheme. Once held in treasury, a company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of

the shares. Further, no dividend or other distribution of the company's assets may be made to the company in respect of the treasury shares.

The maximum number of ordinary shares which may be purchased under this authority is the maximum aggregate number of such shares which may be purchased under this authority is 5,591,695 (representing approximately 10 per cent. of the Company's issued ordinary share capital as at 17 November 2023 (being the latest practicable date prior to the printing of the Notice of AGM of which this resolution forms part).
